

Celebrating our Specialness

There never was anyone quite like me
I'm the only me that you'll ever see.
From the top of my head to the tip of my toe.
I'm special don't you know.

There never was anyone quite like me or you.
Being ourselves is the best we can do.

We're priceless and precious for God tells me so.
We're quite unique a walking work of art.

And strong or weak. We all have our own special place in God's heart.

We're different each one from the other it's true. God never repeats
himself, never makes two.
Be happy with who you are, God made you so.
You're special you know.

We're priceless and precious for God tells me so.
Oh oh oh we're special you know.

Two Celebrating Our Specialness windows now have pride of place at both Barbara Priestman and Portland School in Sunderland thanks to EBC's Workability programme, which was part sponsored by Grundfos Manufacturing Limited, Ferryboat Lane, Sunderland. Pictured is the window at Portland School which now has a long term link with Grundfos – thanks to EBC nurturing the partnership between the school and a locally-based business.
