

Eko Initiative

The "Eco-Initiative" Association was founded in May 2000 in order to meet the needs of the active citizens of Kwidzyn, its teachers, small-scale entrepreneurs, farmers and the youth.

Our leading idea
"Ecology with the people and for the people".

Goals

1. Integration of local community within the environmental protective operations.
2. Integration of local, regional and cross-regional ecological ventures.
3. Improvement of ecological awareness.
4. Popularization of knowledge about the nature.
5. Promotion of healthy lifestyles and environmental-friendly attitudes.
6. Support and establishment of other ecological movements.
7. Strengthen the regional identity.
8. Reduction of unemployment.
9. Development and activation of local actions.
10. Integration of local handicapped community.
11. Promotion and support of philanthropy and voluntary actions
12. Support of village developments in accordance with "the balanced development" principle.
13. Promotion and support of education.
