

Dear Masterclass Mentor

Our Place 2020 is an exciting and challenging regional competition for schools – and we are delighted that you have agreed to become one of our **Masterclass Mentors**. We hope you will find the experience rewarding and stimulating. We hope this Induction Pack assists you in supporting the schools and their pupils who are taking part.

We know, from our work with young people, that they gain a great deal from the involvement of businesses we recruit to support our work and hope you will enjoy working with them – and with your local education business link organisation.

If you have any problems, issues, concerns about your involvement in **Our Place 2020** please do not hesitate to contact us. Equally, if you've any ideas or suggestions we want to hear from you too.

Your key contacts for **Our Place 2020** will depend upon in which part of the region the schools you are working with are based. However, securing the evidence for your Masterclass Mentoring qualification is being overseen by Education Business Connections limited, which is working closely with your local education business link organisation. Key contacts are shown on this letter.
