

PATRICIA WILKINS

My life in South Hylton

I've lived in south Hylton all my life, apart from 3, years when I got married to Rod, my husband, when we lived at Silksworth. For that time. We moved back to Hylton where we brought up our two sons. I've had a variety of jobs over the years. my first was in a paper shop, then a

factory making valves for TVs a few years later, I went to Pyrex. for 19 yrs.

My husband and I love to go dancing and we go to the tansy centre twice a week to learn.

Between my two sons ,we have 5 grandchildren, three boys, and two girls their names are

Cassie, Becky, Matthew, Lee, and Callum. We visit three of them when we can because they live down south. So we don't see them as often as we would like. Also we see our other two grandchildren quite often as they live at Penshaw.

About my personal hobbies

At the moment my hobby is sequence dancing. Also I like to go to bingo. My quiet hobby is reading , and most weeks I meet some friends down the town, we go for coffee, and then we go shopping . Sometimes we go to our friends, and we play dominoes, or they come to our house.

My Mother

My Mother and Father lived in the village of South Hylton for most of their married lives, but my father died quite a long time ago. My mam lived in Dene View Crescent for most of my younger years, then when she was about ninety nine years of age she moved.
