

Free Skills Training for the Voluntary Sector?

Do you have staff who need to acquire a first NVQ Level 2 or need Skills for Life training? Would you like to access free training with the opportunity of getting wage compensation whilst they are in learning?

You would?

Train to Gain offers a unique opportunity to those who value staff development as vital to improving their services. For training including Skills for Life and NVQ Level 2, it is free to eligible employers and their employees. Importantly, organisations with less than 50 staff may also benefit from wage compensation whilst employees are in learning.

Train to Gain offers workforce development opportunities vital to improving productivity, winning contracts and it just makes good business sense.

The North East VCS Train to Gain pilot is able to offer interested North East Voluntary and Community Sector organisations access to such training. If you would like register your interest, send an email to info@newskillsconsulting.co.uk with a contact name and number and we will get back to you.
